# LEADERSHIP MAQUOKETA

September 2024 - January 2025

## PROGRAM OVERVIEW:

Leadership Maquoketa was designed to foster the growth of leaders in the Maquoketa area. It will help prepare leaders to be effective stewards for our community's future and also supports the Chambers mission to support & strengthen member success, which enhances the quality of life, economic well-being & opportunities in the community. The five-month program curriculum offers a view of Maquoketa from different vantage points, heightens participant awareness of current community conditions and issues, enhances individual and group leadership skills, helps participants see themselves as partners for change, and provides them with tools focused on developing themselves.
